

# CONDITIONS OF PARTICIPATION AND DATA PROTECTION

## Creative competition «Close the GLASS Loop – NOW!»

Wintersemester 2020/2021

Vetropack Austria GmbH and Friends of Glass Austria

The organiser of the competition is Vetropack Austria GmbH, Manker Straße 49, 3380 Pöchlarn; called «Vetropack Austria» in the following. This competition has no connection with Instagram or Facebook and is not being sponsored, supported or organised by Instagram or Facebook in any way. The recipients of the information provided by participants are not Instagram or Facebook but Vetropack Austria and/or kommunikation Public Relations & Publications GmbH, Prinz Eugen-Straße 14/2/20, 1040 Vienna.

Participation is free of charge. On deciding to participate in the competition, participants confirm that they have read the following conditions of participation and accept these in full.

Eligible to participate are school pupils in grade (Schulstufe) 5 and upwards attending any school in Austria who are also resident in Austria. Winners will be selected in the lower grade category (Schulstufe 5 to 8) and in the upper grade category (Schulstufe 9 to 13).

The requirement for admission to the competition is the timely uploading of competition entries via Wetransfer or by email to the following address ([k.madner@kommunikationpr.at](mailto:k.madner@kommunikationpr.at)); alternatively, entries may also be submitted by deadline by postal mail to kommunikation PR & Publications GmbH, Prinz Eugen-Straße 14/2/20, 1040 Vienna.

Participants are required to supply the following information together with their entries: their name, name of their school and class and the email address to contact in the event that their entry wins. Please note that submission of only one entry per person is permitted.

The deadline for submission of entries is 23.59 hours on 21 May 2021. There is no charge for participation and participation will not be linked with an obligation to purchase.

Only those participants who supply all required information accurately in full and in comprehensible form will be eligible to receive a prize. The opportunity to participate in the competition will terminate at 23.59 hours on 21 May 2021 (deadline for submissions or date of email submission).

In early June 2021, a jury of experts will select a winner per category (lower grade/upper grade). Winners will be notified in writing. These notifications will be sent by email to the email address specified by the participant.

For the purposes of participation, entries must be submitted by email (e.g. in the form of a digital image or PowerPoint presentation) and these must comply with requirements and the specified guidelines, or digital images or a PowerPoint presentation may be uploaded to Wetransfer together with all required registration information. Entries may also be submitted by postal mail.

A jury consulting in camera will select the best entries from those submitted.

The best entry per category (lower grade/upper grade) will be rewarded with a cash prize worth €500. Prizes will be transferred to the account nominated.

It will not be possible to exchange the cash prize for a prize in another form. Prizes are not transferable.

Participants herewith confirm that they consent to the confidential processing of their data for the purposes of implementation of the competition by Vetropack Austria and the agency kommunikation PR & Publications GmbH, Prinz Eugen-Straße 14/2/20, 1040 Vienna; this data will not be made available to unauthorised third parties. Following its use for the purpose above, the data will be deleted. You can withdraw your consent to this at any time by contacting kommunikation PR & Publications GmbH, Prinz Eugen-Straße 14/2/20, 1040 Vienna.

On uploading and submitting their entries, participants confirm that these are not subject to the rights of third parties (i.e. in the form of copyright or protected trademarks), that they possess the rights required for publication and that they also have the right to assign the right of usage.

All participants confirm that they consent to the processing of their data in association with the competition.

Vetropack Austria assumes no liability for technical defects, failure of data transmission and other technical problems that may impact on participation in the competition.

#### Severability clause

Should any of the provisions of these conditions of participation prove to be invalid or it become apparent that there is any form of loophole, this will have no effect on the validity of the other provisions. Any invalid provision or loophole shall be replaced or supplemented by a provision that represents as closely as possible the interests of the organisers and the other parties.

There will be no right of recourse.
